

# Excel Category 6 (UTP) Unscreened Single Shuttered RJ45 Module

Item Code: 100-430

**excel**  
without compromise.

✕ Category 6

✕ High Density Design

✕ Individual snap in modules

✕ LSA compatible IDC

✕ Individual port slide labelling system

✕ Supports Gigabit Ethernet

## Product overview

Excel Category 6 3 in 1 modules offer the ultimate in flexibility, space utilisation and ease of installation. The totally modular design allows the mounting of up to 3 shuttered RJ45 ports in a standard flat or bevelled single gang faceplate or up to 6 in a double gang facia.

The unique design means that you only load shuttered outlets as required, any capacity within the plate which is required for a later date is simply blanked off, providing a neat and easy to use completed installation. Individual port labelling is also quick and easy with standard Excel outlet slide in fields incorporated into the design.

## Product specifications

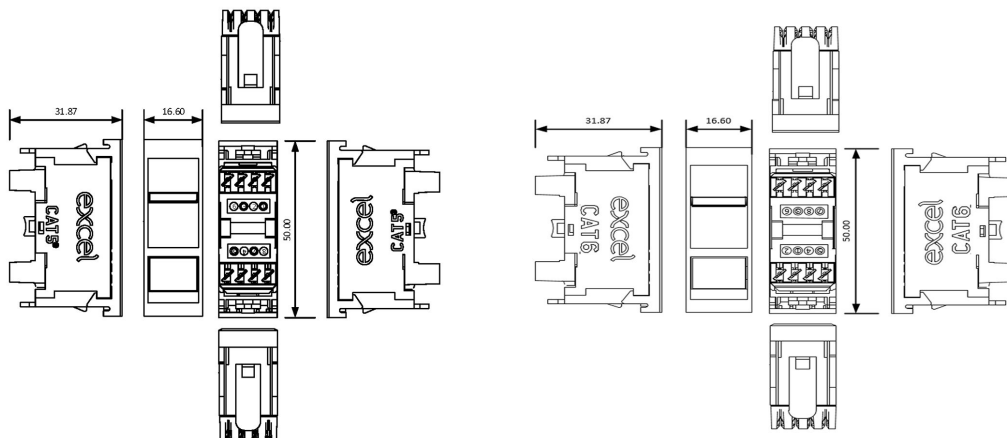

Features	Values
Type of fastening	Engage (snap)
Type of connector	RJ45 8(8)
Category	6
Colour	White
Connection type	LSA
Width of device	16.6 mm
Height of device	50 mm
Depth of device	31.5 mm

# Excel Category 6 (UTP) Unscreened Single Shuttered RJ45 Module

Item Code: 100-430
